

Venango Catholic Jr. / Sr. High School

THE #1 SCHOOL CHOICE FOR YOUR FAMILY

Because we know how important is for your child to succeed, VRCS has the right tools to nurture your son/daughter as a leader for tomorrow.

Faith & Service

Christ and his Church are at the center of our mission. Our students grow in moral decision making, service, charity, and prayer. All faiths are welcome!

Collaboration

We work with parents, parishes, and the community to empower students as virtuous citizens, critical thinkers, responsible members of our global society, and good stewards of the Earth.

Opportunities

Our dedicated team of faculty, staff, campus ministers, and coaches challenge students in rigorous academics, athletics, the arts, and extra-curricular activities.
