They were utterly astounded (Mark 5:42)

Of course they were astounded! The disciples and the parents of this young girl had just seen Jesus raise her from the dead. Now she was walking around as if she had never been ill. And just a few minutes earlier, a woman suffering from a hemorrhage for twelve long years had been instantly cured just by touching Jesus' cloak (Mark 5:27-29). Both were amazing displays of power, and both demonstrated that Jesus was no ordinary rabbi.

We do not know if the young girl's father or the afflicted woman really understood that Jesus was the Messiah when they reached out to Him; but they must have sensed that He came from God, given what they had already heard about Him. Clearly, they believed in His power enough to approach Him for healing. Perhaps they did not know how their encounter with Him would end, but they put their hope in Him and stepped out in faith.

We do know that Jesus is the Son of God, and yet sometimes we can find ourselves doubting His power. *Can He really heal me? Can He really forgive my most shameful sins? Will He one day raise me to new life?* And yet the kinds of stories like the ones in today's Gospel reading did not just happen in the past. Jesus still acts powerfully in our own time and place. Conversions, healings, answers to prayer – these continue to abound.

So believe in Jesus' power, as Jairus and this woman did. Step out in faith and ask for what you need. Keep asking even if you do not see immediate results. Even if it seems as if you are not getting what you are asking for, do not give up hope! Believe that Jesus, Lord of heaven and earth, has the power – and the desire – to heal you and give you new life. This is why He came to earth, and He will do it, in His own perfect time and way!

“Jesus, I am reaching out to touch Your cloak today. Heal me and pour Your life into me!”

HAVE AN IRA? Would you like to gift to a qualified charity, tax free?

If you make donations and are subject to required minimum distributions (RMD) rules for your IRA, gifting some of your RMD income using the qualified charitable distribution will count toward satisfying your RMD, and neither you nor the charity will have to pay income taxes.

FAMILY PERSPECTIVE

The healing of the woman and the child in today's gospel is a reminder we are all wounded. We retreat to those we love looking for acceptance, listening, understanding and support. Families must be healing communities where Jesus is present in our care for one another.

MARRIAGE MOMENTS

July 4 is "Independence Day" in the USA. Being an independent country and person have value. BUT in marriage we are also called to dependence. I depend on you to keep your word, to comfort me when I am sad, to help out. How do you depend on one another?

PARENTING POINTERS

Do not argue with anyone today, even if you are right. Whether it is your spouse, child, or stranger, training yourself to pause and consider another's point of view can deepen your maturity and relationships.
