

Open Teaching Positions 2024-2025

St. Michael School, a PreK3-8th Grade parish-based elementary school, is a new partner of the [Institute for Catholic Liberal Education \(ICLE\)](#). We are working toward renewal and revival of our great Catholic intellectual tradition and are looking for passionate and practicing Catholics to teach Elementary, 5th, and 8th Grade Classes for the 2024-2025 school year!

We need teachers who are not only competent and confident in delivering instruction and creating a loving and safe environment but are also ready to inspire wonder and awe in our students: to awaken their imaginations to the great beauty, truth, and goodness in the world around them and their place in it! I look forward to meeting you and welcoming you to our mission! "Our foundation is JESUS! Our goal is to help each other get to heaven! To be Saints!"
