If a parent would like their child(ren) to use the SAFE Program on an unscheduled day, they must call the school secretary by 1:00pm that day to make arrangements. Parents who do not pick their child up by 5:00pm will be billed an extra \$5.00 for every 15 minutes late for that day. Failure to make payments by the due date will result in the balance being placed on the next FACTS payment or the child being removed from the SAFE Program until the payment is received.
