8th Annual Men's Conference

The Mens 2232 Conference has been decentralized this year to mitigate the potential for COVID exposure.

St. Boniface will be one of the many parishes to host the virtual conference. We will be streaming the conference with masking and social distancing.

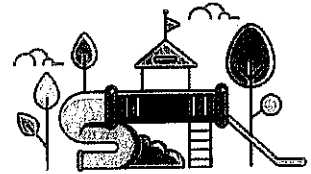

Individual streaming is permitted, but we recommend attending in a parish group where you may also partake in the sacramental experience.

The conference is on Saturday, February 27th, beginning with Mass with Fr. Marc (if you can make it), and coffee and a light snack before the conference begins at 9:00 AM. The conference ends at noon.

January 2020

Thank you to everyone who has donated to us the past year. During this extremely challenging time, more and more families are needing extra support. Your thoughtfulness, generosity and community support is greatly appreciated, as we pray for the needy in our communities and the whole world, remember "We're all in this together."

These donations allow us to give out items we could not normally afford. Thank you very much for remembering us and our mission to feed the hungry.

Thank You,
