Dear Fellow St. Boniface Parishioners,

Summer greetings to you and yours! I hope you have all been able to get out and enjoy this beautiful time of year. Time waits for no one, however, and we in the office at St. Boniface have already started looking ahead to the fall when we will put together next year's parish directory. In conjunction with that, we are once again conducting a parish census. It has been five years since our last census, and, especially in light of the disruption of the COVID pandemic, we need to update our records and get an accurate accounting of our parishioners.

We are asking each household to please complete the enclosed census form and return it to the parish office by mail, by dropping it off at the office or in the collection basket, or by email (secretary@stbonifaceparisherie.org). Only one census form per household is needed.

Thank you in advance for your help with this vital project, and if I can ever be of any help to you and your family, please let me know.

Peace in Christ,

Rev. Marc Stockton
Pastor
