## ERIE CATHOLIC SCHOOL STUDENTS EMBRACE LENTEN SEASON SUPPORTING LOCAL NON-PROFITS AND BUILDING AWARENESS ON GLOBAL POVERTY

Students and faculty across all campuses have prepared for the resurrection of Jesus Christ in a variety of ways. TONS of support went out to the less fortunate in our community. Many schools supported local food pantries, a quilt was made and raffled to benefit Emmaus Soup Kitchen and several middle schools learned about the impact of global poverty. In addition, a system-wide collection was made for the St. Martin Center. Students also made cards for those impacted by the war in Ukraine.

### MESSAGE FROM BRIDGET PHILIP, PRESIDENT OF ERIE CATHOLIC SCHOOL SYSTEM

Hello! I hope you are all well as we warmly welcome spring. It is hard to believe we are approaching the end of the school year. Thank you to all our teachers, staff, students and parents for their continued support. It is a team effort that enables our success - both in and out of the classroom. There are so many exciting things going on within our schools. Please pray for our upcoming First Communion students and 8th grade graduates. Wishing you all a blessed spring.
