

"There is no fear in love, but perfect love casts out fear. For fear has to do with punishment, and whoever fears has not been perfected in love." ~ [1 John 4:18](#)

Important things are happening at St. Boniface Preschool!

Valentine's day is also upon us! Preschool religious lessons will focus on LOVE! Bible stories will include: "The Good Samaritan" to help students understand how to love those in need, "Zacchaeus" to help students understand that God helps others love hard to love people and "the vine and the branches" to help students understand Jesus loves us, and his love helps us love others. Students will also learn who St. Valentine is and how he shared Christianity with others who didn't know Jesus.

The preschool students and school age WASD before/after care children are working Valentine Cards to be collected and distributed to the Erie VA medical center, Brevillier Village of Harborcreek and the Ministry to the Sick and the Homebound. St. Boniface Preschool recognizes that we can share the love of Jesus through our cards and messages. A card from a child just may be the thing that brightens a person's day. Students are also learning the classic preschool Bible song "I've got the JOY down in my heart!"

PRESCHOOL REGISTRATION FOR SUMMER 2023 and SCHOOL YEAR 2023/2024
