

HAPPY Easter

Hello, our names are Allison Kennerknecht and Taylor Bunce. We are fundraising to provide St. Boniface Food Pantry families with Easter baskets for their kids.

When I (Allison) was one my house completely burned down, and we lost everything. The families in our community were so generous. They all came to our benefit and assisted us with food, toys and so much more. My family and I are forever grateful. Because of the generosity everyone showed to my family when our tragedy happened, Taylor and I are motivated to give back by helping kids who may not be able to receive Easter Baskets. We are aware how some families struggle, especially during the holidays. Whether it is because they have lost a loved one or they do not have enough money for extras, we know how generous this community has always been.

We ask everyone to come together to provide donations, so we can make this an Easter to remember. We want to make kids feel special and blessed during the Easter holiday.

More information to come next week on what can be donated for the Easter Baskets.

“In this season of rebirth, may you feel your faith renewed and your heart made new with the hope Easter brings.”
